
Help for Learning OrCAD Capture and Capture CIS

Display Drivers

Learning OrCAD Capture displays properly with Windows display drivers that support these resolutions, color depths, and font sizes:

- 640x480 16 colors or greater (VGA, Super VGA) (Small Fonts)
- 800x600 16 colors or greater (VGA, Super VGA) (Small Fonts)
- 1024x768 16 colors or greater (VGA, Super VGA) (Small Fonts)

Learning OrCAD Capture may not display properly if these display drivers are used:

- Display drivers specified as "(Large Fonts)"
- 8514/a
- EGA
